Green Tips of the Week: Summer's here! To celebrate the long, hot days, rally your friends and/or family and pack a picnic. This week's tips will help you keep it green.

Keep it clean.

What with chip bags, soda cans, and paper napkins, picnics can create a huge mess. Instead, bring refillable water bottles, cloth napkins, reusable or biodegradable cutlery and plates, and food in reusable containers as opposed to plastic bags. After the party, check around your picnic area and pick up scraps, then bring them home to your compost pile.
